

All Decorative Flake Colorants are available in 1/4" and 1/16" flake size. Specify size when ordering.

### Decorative Flake

FloorTex Decorative Flake System make resinous flooring as beautiful as it is practical and cost-effective. Decorative Flakes, also commonly referred to as chips, flake, or fleck, are composed of water-based resin materials, organic minerals, additives, and various pigments. This unique product is integrally pigmented, brilliantly colored, random in shape, sized within a standardized range, and custom blended with infinite possibilities to achieve optimal appearance and texture qualities with a resinous flooring or wall-coating system.

### Advantages

#### Durable

Resinous flooring systems provide superior chemical and abrasion resistance over pre-engineered floors.

#### Decorative

Enhance your high-performance flooring environment by adding custom color and texture to compliment any décor.

#### Economical

Decorative Flakes resinous flooring systems provide a cost-effective alternative to pre-engineered floors.

#### Safe

Decorative Flake resinous flooring media provides an orange-peel texture that increases the slip-resistance and safety.

#### Clean

Resinous flooring systems are wax free and economical to up keep with soap and water.

#### Monolithic

Resinous flooring provides a seamless flow of wall to wall beauty that does not collect dirt, moisture, or germs.

#### Low Sound

Resinous flooring systems provide a seamless and flexible surface that deadens the noise of foot traffic and carts.

#### Renewable

After years of use, efficiently revitalize your resinous flooring system by sanding the surface and applying a new topcoat.
